

The 10 most important reasons to buy Grundig Business Systems

1. Experience and market knowledge – more than 4 million dictation systems sold
2. Complete digital dictation portfolio – class-leading hardware and software
3. Outstanding technical innovation (eg PIN-protection of mobile devices, RFID-/Barcode)
4. Premium quality, design and ergonomics – Made in Germany
5. Unique security architecture via PIN/PUK protection, dictation encryption during recording and secure selection of author
6. Excellent sound quality
7. Easy digital dictation with DigtaSoft One and EasyMode 
8. Flexible customization, even in complex system environments (WTS, Citrix, Linux)
9. First-class customer service (hotline, remote support)
10. Nationwide coverage through selected reseller network
